Dear Trainee,

My family and I would like to send a special greeting at Thanksgiving to express to you our sincere appreciation for your confidence and loyalty. We are very thankful and extend to you our best wishes!

My son is also a trainee in your platoon! Please know that we are so proud of you for making the choice to serve and protect our country and freedom! Keep up the great work and no matter how hard it gets, Never give up! That is when you shine the most! Please feel free to write back if you wish to do so!

Have a Happy Thanksgiving!
